

Dear Van Tran customer:

Effective Sunday, February 15, Van Tran will become Sun Van!

With the passage of the Regional Transportation Authority Plan (RTA), we are committed to creating a more integrated and efficient transit network benefitting our passengers. One element of the regional system is to enable customers to easily identify transportation options throughout our community.

As part of this new regional seamless transit system, Van Tran will now be called Sun Van, and will adopt a new look that is similar to all other transit vehicles in the region. Although the vans have a slightly different appearance and the name has changed, you will continue to receive the same excellent customer service from our employees.

For customer assistance, please continue to call 798-1000 (TDD: 844-5100) or visit our website at www.vantran.org.

We are excited about becoming Sun Van, and look forward to continue serving you in the future. At the bottom of this letter, please see a picture of our new van; look for it on your next ride!

Sincerely,

A handwritten signature in black ink, appearing to read "Ralph Power".

Ralph Power
Assistant General Manager
Operations and Maintenance
Sun Tran/Sun Van
